Greetings SNCA folks! We're looking forward to your visit to UNC Asheville. Here's how to get around UNCA’s campus:

Please refer to the online campus map: [https://maps.unca.edu/](https://maps.unca.edu/)

The conference’s concurrent sessions, plenary, keynote, poster sessions, breaks, and desert reception/awards ceremony will take place in Lipinski Hall and Karpen Hall on the main quad of the UNCA campus. **Lipinski and Karpen Halls are numbers 10 and 11 on the map.**

Lunch on Thursday will be in the Sherrill Center, a short walk from Lipinski and Karpen Hall. **The Sherrill Center is number 18 on the map.**

Ramsey Library, home of Special Collections, is next to Lipinski and is number 15 on the map.

Parking is available in nine different campus parking lots during the conference. These lots are P8, P9, P10, P11, P12, P17, P18, P26, and P28 on the map. Our campus is compact, so all the parking lots are relatively close to Lipinski and Karpen Halls.

**Driving directions to the campus:** UNCA is located right off I-26 at exit 25 in North Asheville, a few miles from downtown and the conference hotels. Driving directions are here: [https://maps.unca.edu/driving-directions](https://maps.unca.edu/driving-directions)

Both of the conference hotels are on the north side of downtown near I-240, and are about a ten minute drive to UNCA.

Wednesday night’s Pre-Conference Evening Social is at Catawba Brewing, 32 Banks Avenue, on the “South Slope” of downtown Asheville. About a mile south of the conference hotels, Asheville’s South Slope is a thriving part of Asheville’s craft beer boom. Within a quarter-mile radius you'll find Catawba Brewing, Twin Leaf Brewery, Green Man Brewery, Burial Beer, Wicked Weed, Asheville Brewing, Bhramari Brewing, Hi-Wire Brewing, and Wicked Weed’s Funkatorium.
